

It is time to sign you and your band up for the
ØK FESTIVAL 2010

The Music Committee has heard that there are a lot of good musicians hiding in our rehearsal rooms, and we have therefore decided to arrange the first ØK festival, so everyone can enjoy your musical talents. Now we need to find out if your band name should be on the poster!

Unfortunately, we can't offer any payment, but we will provide a good sound engineer and equipment. This could be the perfect opportunity for you to meet the people you are sharing the rehearsal studios with, hear what they play and perhaps try out some new material in front of an audience. It is also an excellent opportunity to get your music promoted a bit in the local area! The festival takes place on

17TH APRIL

and we provide some beer and food for the participants. If you want to sign up, write a little bit about you and your music to oekfestival@gmail.com and if possible send some material. The more we know about you, the easier it will be to select you to perform. Everyone is very welcome to write us, but we will prefer musicians who play their own songs and rehearse or live at Øresundskollegiet.
